**CASH ON LINE**—We are trying to utilize the Cash Online as much as possible. There are benefits for parents to use it, but the #1 reason is that there is no fear of cash or cheques being misplaced enroute to school. Most parents who use it are pleased with how easy it is to use. Attached I have copied the instructions as to how to set it up in School Cash Online. All you will need is to contact the school to get your child/ren's Student Number.

**Christmas Lunch**  
**Monday, December 18th**  
 We will be hosting a turkey lunch this year. We will be asking families to please contribute to the lunch by donating items that will be classroom specific. Turkey, gravy & potatoes will be provided and prepared by staff & parents. This will be a wonderful celebration for everyone and hopefully it will become an annual event.

**WATERBOTTLES \$15.00**

REMINDER—We still have lots of Stainless Steel Water bottles available for purchase. They make ideal Christmas gifts. They were purchased in conjunction with our water filling station that was installed in the school. In this age of reduce, reuse, recycle, we feel that our students are our ambassadors.

The water bottles are black with our Brechin Bobcat logo in gold lettering with an area to personalize each bottle with a sharpie. If you are interested in purchasing, please contact the school office.
