

PARKING AND DROP OFF AT BRECHIN P.S. 2019

Parking Lot/Bus Lane:

Safety is of great importance at Brechin P.S. Students can be supervised on the school property from 9:20 – 9:30 a.m. daily. Please do not drop your child off at unsupervised times. Our school has 5 busses who pick up and drop off students daily. To ensure that all students are safe, students and parents/guardians are asked to use the walk way through the parking lot and the sidewalks at the side of the parking lot at all times. Please do not weave through the parking lot or parked busses for your own safety.

To enhance safety, we ask that you adhere to the following:

WALKERS – are picked up at the walker pick up area near the dumpster.

BIKERS/SCOOTERS– students must walk their bike/scooter on the sidewalks to enter and exit the school property before riding.

CARS – please park and use the centre walkway to come into the school and/or drop off your child at the supervised area in the yard.

KISS N RIDE – you may briefly stop and drop off your child at the mouth of the parking lot beside the sidewalk. Do not get out of your car – students must exit the car door on the side of the car where the sidewalk is and walk to the yard. Other than this, please do not be in the bus lane. If there is not a spot available to drop your child, please park your car and have them use the walkway. Always drive SLOWLY in our parking lot and be aware of where the children are. We thank you for your co-operation!
