BRECHIN PUBLIC SCHOOL

Principal: Judy Kirk (ROC) for Jen Cornick

Administrative Assistant: Robin Campbell

Superintendent: Scott Young

Trustee: Jodi Lloyd

Principal's Message:

Welcome to the 2023 -2024 school year!

I would like to extend a warm welcome to all returning families, our new kindergartens, students that have transferred to Brechin Public School from other schools and all new parents and guardians. I am excited and optimistic that the 2023 -2024 school year will be a rewarding and enjoyable year for all community members. I would like to extend my thanks to everyone for all your support and positivity! We welcome your feedback as we continue to provide a safe and positive learning environment for our students at Brechin Public School.

A very special thank you to Miss M.J. Sageaktook and to Mr. P. Burke, our custodial team, for doing such an amazing job at cleaning our school over the summer. I had to put my sunglasses on to look down the halls!

Each new school year brings new opportunity. I encourage all parents to seize the opportunity to get actively involved in your child's education and in the broader school community. We are always looking for volunteers on our School Council. Although our School Council can look different each year, we welcome your input and aim to keep you informed about all the goings on at school.

Our school newsletter is posted to our website monthly. Please subscribe to our website and an email will be sent to you with updated information. Since we are an eco school, paper copies of our newsletter are not available – we will send our newsletter out by School Messenger (emails listed in our Power School system) and as stated previously, they will also be posted to our school website for you to access all year long.

An updated list of Brechin staff is available on the school website. However, it is important to note that, as always, class placements and teacher assignments are tentative until the turnaround date of September 27th in all SCDSB schools.

Lastly, just as I encourage teachers to establish and nurture positive relations with the home, I ask that parents do the same with staff. You are your child's first and best teacher and you know them best. Working together, we can offer your child the best education possible! We look forward to meeting and getting to know your children and your family through the school year.

Sincerely,

Judy Kirk (ROC) for Jen Cornick

CHARACTER EDUCATION

SCDSB launches updated character education program for 2023-24 school year.

This year the SCDSB will begin implementation of the updated character education program. Rather than focus on one attribute each month, the program has been changed to reflect that character is a fluid concept that includes a variety of attributes.

The updated character attributes are:

Bravery	Helpfulness	Listening	Responsibility
Caring	Honesty	Love	Trustworthiness
Compassion	Humility	Loyalty	Truth
Cooperation	Inclusiveness	Optimism	Sharing
Courage	Integrity	Perseverance	Wisdom
Empathy	Kindness	Respect	

For more information on the updated character education program, visit the character education page on the SCDSB website: www.scdsb.on.ca/about/character_education.

September PA Day

Please note that Friday, Sept. 22 is a PA Day for all SCDSB students. Please refer to the 2023-24 School Year Calendar on the SCDSB website for more information:

www.scdsb.on.ca/elementary/planning_for_school/school_year_calendar.

Below is a summary of the activities planned for the Sept. 22 PA Day:

Length: Full day

Topic: Reading and Literacy, Social Studies, Assessment

Host: Simcoe County District School Board

Presenter(s)/facilitator(s): School board staff and school administrators

Educators will participate in person to review the newly revised Language Curriculum, The Ontario Curriculum, Grades 1-8, Language, 2023, and new de-streamed English, Grade 9, and Français, 9e année courses and explore resources to support their implementation with students. Through group discussions and hands-on activities, elementary educators will learn about early reading instruction and the use of screening tools to help ensure that students with reading difficulties are identified and supported early. They will also explore and plan for literacy instruction across the curriculum, including the new Holocaust Education curriculum in Grade 6. Secondary educators will also engage in assessment activities and the collaborative planning of student tasks and opportunities to inform both course instruction and evaluation.

SCDSB 2023-24 Student Handbook

The SCDSB student handbook contains a variety of information that the SCDSB is required to share with all students and families. This September, schools will be distributing student handbooks to all families via email.

The SCDSB 2023-24 Student Handbook can also be found on the SCDSB website at www.scdsb.on.ca/elementary/parent and on school websites under 'students.'

If you have questions, please contact the school.

New Safe Arrival System for SCDSB Schools

***call 1-888-885-8065 to report an absence (elementary)**

The Simcoe County District School Board (SCDSB) has a new Safe Arrival system at elementary schools. This system will support us in continuing to improve our home-to-school communication process and streamline absence reporting. **To report a student absence, call 1-888-885-8065.** Callers will be prompted to identify the school before leaving a message. Parents should include the student's name, teachers' name, dates, and reason for the absence. When schools do not hear from a parent/guardian, and a student is absent, the school will call home to find out the reason for the absence. If you have questions about the new system, please contact the school office.

Universal Otis-Lennon School Ability Test (OLSAT) Screening Process

The OLSAT is a standardized group test of ability. The results of this test will help us gain a better understanding of students' areas of relative strength and needs as related to their verbal and non-verbal abilities so that we can plan our programs and supports accordingly. Results may also be used to inform identification (e.g., Intellectual: Gifted).

Students who display an advanced degree of general intellectual ability may require additional program support to reach their educational potential. This support may be through enhancing the curriculum, differentiated instruction, and through providing program extensions and enrichment. This type of programming is important to engage, motivate, and challenge students who are identified as gifted in either the regular classroom or in an elementary gifted classroom placement.

A consent form examining the universal OLSAT screening process in greater detail will be sent to parent(s)/ guardian(s) of students in Grade 3 via School Cash Online in September. If you require further information about the universal OLSAT screening process, please contact the school.

School Council Nominations for 2023-24 School Year

School council is a committee made up of elected parents/guardians, community representatives, staff, and sometimes students that help to provide the community voice and parent/guardian perspective on important school topics. School council is a good way for parents/guardians to get involved in their child/children's education while playing an important role in the partnership between home and school.

School council nominations take place every fall. If you are interested, please watch your email for upcoming communication and for more information visit www.scdsb.on.ca/elementary/parent/school_councils.

Annual Notice to Adult Students or Parent(s)/Guardian(s) of Students Under the Age of 16

A completed Student Medical Form (FORM A1420 - 1) is required each school year, or when a medical need is identified, or when the student transfers to another school, in order to authorize medical response plan development and the administration of prescribed medication to students who require it during school hours, or when the medication and/or dosage requirements change. Specific to asthma, every student is now permitted to carry their asthma medication if the student has their parent's/guardian's permission. Parent(s)/guardian(s) and adult students are responsible for ensuring that a current, completed Student Medical Form is on file at the school. Parent(s)/guardian(s) and adult students are also to complete a Plan of Care for students with prevalent medical conditions such as anaphylaxis, asthma, type 1 diabetes, or epilepsy/seizure disorder.

Please note: All medications are to be submitted to the school office in clearly labelled, original containers.

Some students may experience severe life-threatening allergic reactions to bee, hornet, wasp, or other flying insect stings or to certain foods or food ingredients such as peanuts. The best way to reduce the risk of accidental exposure for these students is to respectfully ask parent(s)/guardian(s) to avoid sending peanut butter or products with peanuts and/or tree nuts listed in the ingredients to school. For students with life-threatening allergies, it is recommended that two doses of an epinephrine auto-injector are available on site at school. Please do not hesitate to contact the school with any questions you may have.

Important: Student Technology Appropriate Use Form

Standard acknowledgment and permission form/student information computing technology appropriate use agreement 2023-24.

The 2023-24 Standard Acknowledgment and Permission Form and Student Information Computing Technology Appropriate Use Agreement are required forms for all Simcoe County District School Board (SCDSB) students. The forms have been made available electronically through School Cash Online until Oct. 16. School Cash Online is our preferred method for forms. If you are unable to submit these forms electronically, please contact the office for paper copies.

Student Accident Insurance 2023-24

Student injuries at school during school events, extra-curricular activities (e.g., athletics, clubs, etc.) and out-of-province/out-of-country trips are not covered by the Simcoe County District School Board (SCDSB) or its insurance company. While every precaution is taken to provide a safe learning environment, accidents can and do happen.

A variety of plans and benefits at reasonable annual prices can be found through either:

- StudyInsured at www.studyinsuredstudentaccident.com or by calling 1-833-560-0527; or,
- Insure my Kids through at www.insuremykids.com or by calling 1-800-463-5437.

Participation in extra-curricular activities (e.g., athletics, clubs, etc.) and/or out-of-province/ out-of-country trips require the purchase of this insurance, or other extended health and dental coverage.

Volunteering in Schools During the 2023-24 School Year

Volunteers are an important part of what makes our schools great places to learn and grow. We value and appreciate the support of our volunteers. Volunteers have various roles at our schools including:

- School event volunteer
- Hot lunch day organizers
- Field trip supervisors
- Classroom helpers

Please contact your local school's office if you are interested in volunteering and would like to know more about the opportunities available.

To become a volunteer in a Simcoe County District School Board (SCDSB) school, you must complete accessibility training and submit a current (dated within six months) Vulnerable Sector Check (VSC). Schools require all VSCs to be in their original form and emailed directly to the school for processing. Please note, volunteers are unable to upload VSCs directly to the volunteer portal. Each potential volunteer must create an account within the volunteer portal. Please remember to choose the school you wish to volunteer with.

If you do not have a computer or require assistance, please contact the school.

Current volunteers

Current approved volunteers must keep their Community Apps account/Volunteer Portal information up to date with email address changes. Communication is sent throughout the year to the provided email address with respect to timelines, necessary requirements, etc. regarding your volunteer status. Instructions on how to change your email address in Community Apps can be found [here](#). Updating your email address in your Community Apps account will automatically update your email address in your Volunteer Portal.

If you are also a parent, check out our [Parent Portal](#).

How to access the Volunteer Portal

Click this [SCDSB Community Apps link](#) or find the link on the volunteer page of your schools website, under the Parents menu.

If you have previously registered a Community Account, click the **Login To Community Apps** button, and login with your username and password.

If you do **not** have an account, click the **New? Register for new Community Account** link at the bottom of the page.

REMINDER: Each volunteer will have to have their own community apps account. Each community apps account is created with a separate email address.

- Complete an annual offence declaration through the SCDSB Community Apps – Volunteers page for up to four years to continue volunteering.
- Submit a new VSC at the beginning of the fifth year.
- Be responsible for the cost of the VSC.
- Be responsible to the principal and work under the supervision of teaching staff.
- Work co-operatively as part of a team to support and supplement school programs.
- Respect the confidentiality of the relationship to the school, ensuring that staff issues and student work and behaviour issues are held in confidence.
- Adhere to established SCDSB and school procedures.
- Communicate regularly with staff.
- Be prompt, dependable and regular in attendance, and give advance notice to teachers when unable to attend.

Procedures Help Keep Our School Safe

We have several procedures in place to keep our school safe. You can help your child understand and feel safe by:

- talking to them about the situations below
- reminding them that emergencies are rare
- telling them it's important to follow staff instructions in these situations

Parents/guardians should talk about the following emergency drills with their children:

- **Shelter in place** is used when there is an environmental or weather-related situation, like a chemical spill outside the building, or a major storm. Activities continue inside the school. Students and staff are not allowed to leave the building. The ventilation system may be shut off temporarily.
- A **hold and secure** is used when there is a situation in the community, not related to the school, like a bank robbery nearby. Activities continue, but all exterior doors are locked. No one is allowed to enter or exit the school.
- A **lockdown** is used when there is a major incident, or a threat of violence related to the school. Students and staff move to secure areas, away from doors and windows. Interior doors are locked, lights are shut off and blinds are drawn. Students and staff remain quiet. We practice lockdown drills at least two times per year. In the unlikely event of an actual lockdown situation, police ask that parents/guardians do not go to the school. Information will be communicated through the school board social media sites (www.facebook.com/SCDSB and www.twitter.com/SCDSB_Schools) and website (www.scdsb.on.ca), through local police and local media.
- All schools have **evacuation plans** in case of gas leaks, bomb threats or fire incidents that would require everyone to leave the school. We hold drills to practice our evacuation plan. In a real evacuation, students and staff may go to the evacuation site, depending on the situation. Parents/guardians will be informed about pick-up procedures by the school, school board and local media.

When parents/guardians are at school during a drill or emergency event, they must follow direction from school staff, police, fire, and/or emergency personnel. Parents/guardians may not have immediate access to their children during drills or emergencies. They may need to wait until the situation is resolved and school staff and/or emergency personnel release students into parent/guardian care.

It's important for you to know we'll always take whatever precautions are necessary to keep our school and students safe.

Please note the following:

- Elementary school main doors are locked during the school day. Visitors must use the **intercom system** and wait for assistance. **Staff may not be available to answer the door immediately, so please be patient.**
- Staff must complete a **criminal record check** before having contact with students.
- We ask parents/guardians of elementary students to contact us when their child will be absent from school as part of our **Safe Arrival** program. When we don't hear from a parent/guardian and a student is absent, we will call home to find out the reason for the absence.
- At least two staff members in every school are trained in **first aid and CPR**. All SCDSB schools have **automated external defibrillators (AEDs)**.

Student Dress Code

Exposed underwear

Spiked or chained accessories

Offensive or inappropriate content

Our board's dress code is one way that we embed the principles set out in the SCDSB and Ministry of Education documents, Caring and Safe Schools in Ontario, and Equity and Inclusive Education to ensure safe, inclusive and equitable learning environments for all of our students. In SCDSB schools, we believe that students should be able to learn in a safe and caring space that is free of bias and discrimination. When making choices about what to wear to school, we respect your individuality. To ensure that our learning environments are safe and respectful spaces, our board has consulted with students and staff to develop a set of shared standards for student dress.

The SCDSB dress code is available on the SCDSB website at www.scdsb.on.ca/elementary/dress_code. If you have questions about the dress code, contact your school principal.

School bus 'Bus Tag' Program Helps Students Get to and From School Safely

The Simcoe County Student Transportation Consortium's Bus Tag program supports safety for JK/SK and other school-identified students. The program helps match students to their assigned afternoon school bus and identifies that they must be met by a parent/guardian at their afternoon bus stop. The program provides a colour coded bus tag with the assigned p.m. route number, to be attached to the student's backpack, and a colour-coded route card with route number in the windows of the school bus that the bus tag is

matched to. The program can also provide tags for students who are walkers and/or who remain at an on-site childcare centre to make sure they don't get on a bus in error.

For more information, visit main.simcoecountyschoolbus.ca.

Important Dates

September 22 - PA Day

September 27 - Turnaround Day

September 21 - Terry Fox Run

September 29 - Orange Shirt Day

October 2 - School Council 5-7pm, everyone is welcome!

October 11-16 - Scholastic Book Fair

October 12 - Picture Day & Meet the Staff 4:00 – 6:00pm, more information to follow.
